MUHAMMAD SAQIB

My Dear MUHAMMAD SAQIB

I write to congratulate you on your admission to UIT in the degree program of **BS (Software Engineering)**. You have been able to secure admission at UIT on the basis of your credible performance in SSC, HSC and the Entrance Test.

At UIT we groom students to become competent professionals. We sincerely hope that you will utilize your time and resources at UIT to evolve into a true professional to lead a successful life.

There is a significant number of competent applicants anxiously waiting in the "waiting list" to join UIT. You are, therefore, advised to complete your registration formalities and pay your fees before 22nd September, 2015 and secure your position. If you fail to do so by the above date, will give this position to the next student in the order of merit. No appeal will then be entertained in this respect.

Please be advised that UIT is a smoke free zone. You will be required to conform to the moral and academic discipline of the Institute. In case of any failure on your part, or political activism the Institute reserves the right to cancel your admission or in case of grave moral misbehavior, and expel you from the Institute. We do hope that you will not give us an opportunity to consider such an option.

For further information as well as guidance about your studies at UIT, kindly download the Student Handbook from our website www.uit.edu.

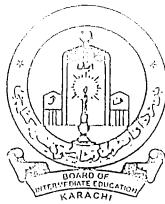

You are always welcome to discuss your problems with your academic advisor, teachers and Student Affairs Office, and should also feel free to contact me for advice and help whenever you need.

Yours Sincerely
